

Warranty FAQ's

Q. Are all Selkirk Warranties the same?

A. All Selkirk products are currently covered by a Limited Lifetime Warranty. This comprehensive warranty covers all components of the system, and is not a "lengths only" warranty. Model CF Sentinel is also covered against damaged caused by chimney fires.

Q. Where can I get a copy of the Warranty?

A. The written warranty can be found in the Installation Instructions / Owner Manual found with the supports in each product line. A copy can also be found on this Web site.

Q. How do I register my Warranty with Selkirk?

A. Simply complete the registration card included with the written warranty in the Installation Instructions / Owner Manual or register on-line.

Q. Why would I register my Warranty with Selkirk?

A. Product registration ensures that you are on record with Selkirk. This can come in handy in the event of a future warranty claim or in the unlikely event of a product recall.

Q. How would I apply for a Warranty claim?

A. All Warranty claims are handled by Selkirk's Technical Department, who can be reached at 1-888-SELKIRK (735-5475) X 1115 or through this Web Site.
